WWW.CODYROBINSON.COM

My name is Cody Robinson. I am 15 years old from Dayton, Ohio and I race Sprint Go-Karts at the national and regional level in the Midwest and Florida. I run four classes with the help of my father and grandfather.

In 2007, I won a WKA Triple Crown (3 championships) at the national level, as well as two championships each from Midwest Sprint Series and Great Lakes Sprint Series regional levels. I was on the cover of two karting magazines, Go Racing and KartSport (see cover sheet), and various other articles were written about my successes. Recent articles written about my racing have included quotes such as; KartSport magazine, Sept/Oct '07 issue: *"extraordinarily poised under pressure"* and *"the crushing-like dominance of Cody Robinson"*; KartSport Magazine, May/June '07 issue: *"Robinson is in supreme form right now"* and *"the kid has been smokin' hot lately"*; GoRacing magazine, May '07 issue: *"No one remembers a pole sitter, but a 4X winner is hard to forget."*

I was also featured in the Sunday Sports section of the Dayton Daily News on Sept. 16, 2007.

In 2008 I will be competing in World Karting Association [national], Midwest Sprint Series [regional], Rotax Max Challenge and Rotax Grand Nationals, Rotax Florida Winter Tour, plus some special events. Places we travel to race include Wisconsin, Florida, North Carolina, Pennsylvania, Indiana, Ohio, and Illinois.

Other than my Dad and Grandpa, my present sponsors are L&T Manufacturing, Arrow Karts, and BTK Motorsports.

Here are some of the opportunities and spaces we can offer sponsors for marketing and promotional benefits.

- Many travel miles of visual advertising on the side of our 24 ft. kart trailer. Space is also available on the back of the trailer.
- Logo's can be placed on my karts (2) in multiple locations.
- Space on racing suit, helmet, and other clothing apparel.
- Banners and E-Z Up shade system are available for logos and advertising.
- Promote sponsors in interviews, podium award photos, and other opportunities when speaking.
- Photos and interviews are commonly printed in multiple magazines and on internet sites where sponsors get exposure also.
- All sponsors will be featured on my website at www.codyrobinson.com.

Long term goal - to become a NASCAR driver.

Short term goal - to be a national Triple Crown champion.

Activities - Skateboarding, video games

Things I'm proud of - That I'm able to race and proud of my dog.

Things I've experienced - Racing in the back and not having what it takes to win, being in front and having mechanical problems, getting bumped off the track and/or wrecked out, being disqualified from a 1st place win because a part fell off. I've also experienced two national championships in 2006, a national Triple Crown in 2007, seeing my picture on magazine covers and having articles written about my racing, as well as being interviewed on racefanradio.com and for the newspaper article.

Things I want to experience in the future - Racing cars

What I want to be when I'm an adult - NASCAR driver or an accountant.

Jobs I've had - Mow lawns and worked in my Grandfather's tool shop.
